submitted to Travel Guard no later than one year after the date of Loss or insured occurrence or as soon as reasonably possible. The proof of Loss should include written proof of the occurrence, type and amount of Loss, the Insured’s name, the participating organization name, and policy number. The Insured must return all unused, nonrefundable tickets.

Payment of Claims: When Paid: Claims will be paid as soon as Travel Guard receives complete proof of Loss and verification of age.

Payment of Claims: To Whom Paid: Benefits are payable to the Insured who applied for coverage and paid any required plan cost. Any benefits payable due to that Insured’s death will be paid to the survivors of the first surviving class of those that follow:
(a) the beneficiary named by that Insured and on file with Travel Guard

(c) in equal shares to his/her living children. If there are none, then

Accident Sickness Medical Expense and Emergency Evacuation benefits may be payable directly to the provider. However, the provider: (a) must comply with the statutory provision for direct payment; and (b) must not have been paid from any other sources.

The following provisions apply to Baggage/Personal Effects, Baggage Delay and Car Rental Collision Coverage:

Notices of Loss. To notify Travel Guard of any loss, the Insured must:

(b) take immediate steps to protect the covered property;
(c) report the Loss within 30 days after the date of Loss; and
(d) provide Travel Guard all documentation such as rental agreement, police report, and damage estimate.

EXCESS INSURANCE LIMITATION
The insurance provided by the Policy for all coverages except Trip Cancellation, Trip Interruption and Car Rental Collision Coverage shall be in excess of all other valid and collectible insurance or indemnity. If at the time of the occurrence of any Loss payable under the Policy there is other valid and collectible insurance or indemnity in place, the Company shall be liable only for the excess of the amount of Loss, over the amount of such other insurance or indemnity and applicable deductible. Accident Sickness Medical Expense will become Primary if the plan is purchased within 15 days of Initial Trip Payment.
Subrogation - To the extent the Company pays for a Loss suffered by an Insured, the Company will take over the rights and remedies the Insured had relating to the Loss. This is known as subrogation. The Insured must help the Company preserve its rights against those responsible for its Loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured or such other person against any Third Party or Coverage.

Coverage - as used in this Subrogation section, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except coverage provided under the Policy to which this Certificate of Insurance is attached) and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder.

Third Party - as used in this Subrogation section, means any person, corporation or other entity (except the Insured, the Policyholder and the Company).

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under the Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with Travel Guard or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing Travel Guard with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. Notwithstanding anything in this coverage to the contrary, any claim arising out of or relating to this contract, or its breach, may be settled by arbitration, if mutually acceptable administered by the American Arbitration Association in accordance with its Commercial rules except to the extent provided otherwise in this clause. Judgment upon the award rendered in such arbitration may be entered in any court having jurisdiction thereof. All fees and expenses of the arbitration shall be borne by the parties equally. However, each party will bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. The arbitrators are precluded from awarding punitive, treble or exemplary damages, however so denominated. If more than one Insured is involved in the same dispute arising
out of the same Policy and relating to the same Loss or claim, all such Insureds will constitute and act as one party for the purposes of the arbitration. Nothing in this clause will be construed to impair the rights of the Insureds to assert several, rather than joint, claims or defenses.

**Concealment or Fraud.** The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to the Policy or claim.

**Payment of Premium.** Coverage is not effective unless all premium due has been paid to Travel Guard prior to a date of Loss or insured occurrence.

**Termination of the Policy.** Termination of the Policy will not affect a claim for Loss if coverage was purchased while the Policy was in force.

**Transfer of Coverage.** Coverage under the Policy cannot be transferred by the Insured to anyone else.

**Insurance With Other Insurers:** If there is other valid coverage with another insurer that provides coverage for the same Loss, the Company will pay only the proportion of the Loss that this Company’s Limit for that Loss bears to the total limit of all insurance covering that Loss, plus such portion of the premium paid that exceeds the pro-rata portion for the benefits so determined.
